PROJECTS

02/08/2024 – 12/12/2024	**JustSpeak mobile App**
	A language learning mobile app that teaches German and chichewa to interested learners. This project was built to meet the increasing demand of more part time German teachers to teach more students in Malawi. The App has helped 4 students to pass their Goethe A1 exams and currently has a 100+ downloads on Playstore
